Sizes are for guide only. All prints are custom printed to your exact size. We do not charge extra for non standard sizes and for sizes not listed we do not charge the same price as the next size up. Prices are calculated based on total paper size, including borders. All canvas prints include a 6cm border for stretching.

## Hasselblad/Imacon Film Scanning

File size	Price per scan
Up to 200MB at 8-bit	£30 per scan

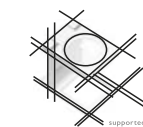

All films are scanned at 16-bit depth to allow more post-processing flexibility. Scan prices include reasonable dust spotting. Excessive retouching by quotation.
